2 May 1975

TRENDS AND HIGHLIGHTS
Special Security Center
April 1975

1. During April, the SSC chaired three meetings of the Compartmentation Subcommittee of SECOM.
2. A member of SSC chaired two meetings of the Community Computer Assisted Compartmentation Control Working Group during April.
3. Members of the SSC reviewed the various volumes of the Murphy Commission report to determine classification prior to transmittal to the Senate Select Committee.
4. Representatives of the SSC completed a preliminary review of Support Services Historical Series, specifically, "Security Program of the CIA 1941-1968", for the DDA.
5. During this month a non-USIB civil users conference was held to review proposed annexes to a new compartmented manual.
6. Members of the SSC gave four hours of instruction at the Industrial Security Officers Course concerning compartmented matters.
7. During the month several administrative briefings were given to Senate Select Committee members, as well as to Dept. of Commerce personnel. Administrative briefings concern themselves with the handling, wrapping, logging and receipting of compartmented information.
8. On 24 and 30 April both the professional and clerical personnel of the IC Staff were reindoctrinated in the fundamentals of compartmentation in three individual programs at the specific request of the Director of the IC Staff.

9. Preliminary discussions were held with members of the Commerce Dept. concerning a survey which will be conducted by the SSC to improve the handling of Agency compartmented information at the Dept. of Commerce.

10. A member of SSC met with the appropriate officials of the National Science Foundation to improve the processing and understanding of compartmented procedures.

11. Facilities at the following locations were accredited for the storage and handling of various compartmented information materials during April:

- a. Clark Air Force Base
Republic of the Phillipines
- b. U.S. Army
Arlington Hall Station
Arlington, Va.
- c. Room 3D1065
The Pentagon
- d. Naval Research Laboratory
Building A59
Washington, D.C.

12. Two hundred-fourteen (214) CIA personnel were indoctrinated on programs constituting 395 compartmented information matters during April 1975. Seventy-two (72) non-CIA individuals were briefed on what constitutes 181 compartmented matters. Those briefed were from the following agencies and organizations.
